

APEXtrackdays PHOTOS

HOWTO:

- 1) Navigate to <http://www.bluepantsmedia.com/apextrackdays>
- 2) Select the desired year gallery.
- 3) Year galleries contain trackday events and the "One Rider Season Package."
- 4) Track events contain Riders Groups (A, B and C) and the "One Rider Package."
- 5) Riders Groups have individual pictures taken throughout the event.
- 6) You can purchase individual digital downloadable images, entire events or the whole year's pictures for an individual rider. Prints are also available.
- 7) To purchase individual digital downloads, simply add the images to the shopping cart as "Digital Download."
- 8) To purchase an entire event, add the "One Rider" package to the shopping cart. Make sure the date is correct for the

event, and then purchase the package. Create a favorites list by clicking on the "heart" icon on the images of the rider.

Afterwards, select "Share Favorites" and then select "Share to Photographer" and we will create a gallery and send download instructions to the email you provided at checkout.

- 9) Purchasing the entire season is the same as step 8 above, just purchase
